

This manual is step-by step procedure on how to use TIC app on mobile phone for geo location tracking at word project. Follow the instruction carefully

Step 1:

Kindly download the app and install on your phone, the IT Team will provide the link.

Step 2:

After you installed the app, this is what it looks like

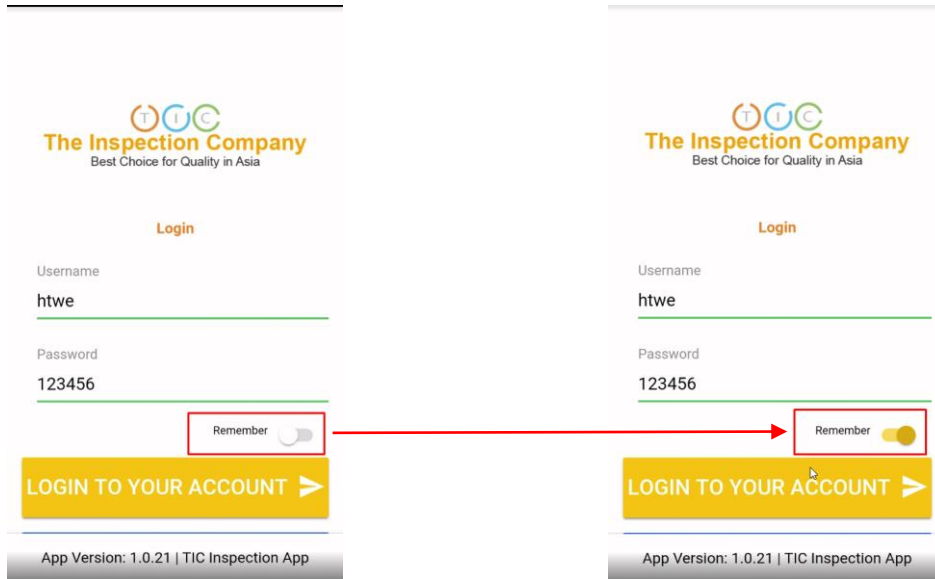

Step 3:

The Booking team will send the Log in information, then please log in the account given by booking.

App Login Details for Geo Tracking

Inspector Username :	ins_
Inspector Password :	123456
Report Number :	REP-001-0001
Report Password :	123456

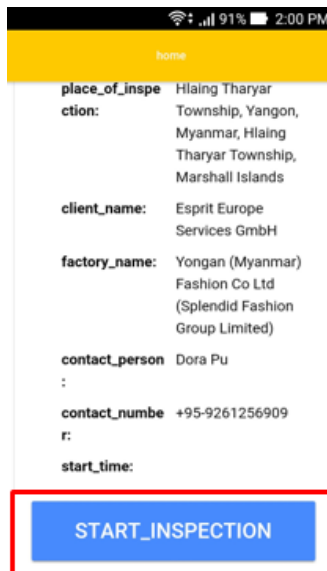

Step 4: When you log in your account, kindly press the Remember button, to avoid retyping your account.

Step 5:

After you log-in on the app, please press the START_INSPECTION

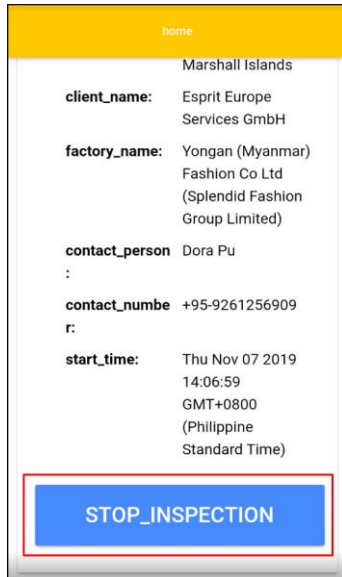

Note: press the START_INSPECTION when the Inspection is already starting.

Step 6:

When the inspection is done, please kindly press the STOP_INSPECTION.

Note: Press the STOP_INSPECTION if the inspection is already done.

The screenshot shows a mobile application interface with a yellow header bar labeled 'home'. Below the header, the following inspection details are displayed:

- Marshall Islands
- client_name:** Esprit Europe Services GmbH
- factory_name:** Yongan (Myanmar) Fashion Co Ltd (Splendid Fashion Group Limited)
- contact_person** : Dora Pu
- contact_number:** +95-9261256909
- start_time:** Thu Nov 07 2019 14:06:59 GMT+0800 (Philippine Standard Time)

At the bottom of the screen, there is a blue button with the text 'STOP_INSPECTION' in white, which is highlighted by a red rectangular border.
